Andrew, Joy, Anastasia, and Isaiah are looking forward to joining the community of faith at Courtland UMC and discovering how God is calling us to be people of faith in the years to come!

Claremont UMC Mary Alice Colwell has been married for 42 years. For thirty of those years, Mary Alice has been a minister's wife and now, she is a District Superintendent's wife. Rob and Mary Alice have three children and seven grandchildren, six of whom are boys! When they moved to the James River District, she retired after 20 years as a Labor and Delivery nurse. She prayed daily, asking God how He wanted her to serve Him in this new area. She believes God has called her to use previous experiences, but to take them to the next level. Therefore, Mary Alice has become a Certified Lay Speaker, and she has been accepted into the Candidacy Program for Ministry.

Mrs. Mary Alice Colwell

"I am humbled and excited that God has called me to this type of service to Him. I am excited to be assigned as Lay Supply Pastor to Claremont United Methodist Church and very much look forward to serving God through Claremont. Praise be to God!"

First UMC chris Andress' family moved to Richmond, VA in 1976 from Bethlehem, PA. They have lived in a few places around Southside since then. Chris was called into the ministry during his sophomore year at Virginia Commonwealth University while working towards a Bachelor of Fine Arts in Art Education. After graduating from Asbury Theological Seminary in 1997, he began serving Memorial United Methodist Church in Charles City. He then served as the Associate at Farmville United Methodist Church. He got married while serving in Farmville. Chris and his wife, Adria moved to

Rev. Chris Andress

Portsmouth, as he was appointed to serve at Broad Street United Methodist Church in 2000. Four years later Susannah Hope Andress was born! After another year they moved to the Northern Neck, where he was appointed to serve the Carmel/Coles Point Charge. After three long years, they were not used to the isolation as they were both from Richmond, he asked to move, and they were delighted to be appointed to Hopewell United Methodist Church in Chesterfield County. *"The six years we have been at Hopewell Church have flown by! Adria is a teacher at Bensley Elementary where Susannah attended through the third grade. Susannah will begin fourth grade at Hening Elementary School in the center based gifted program."*

Mr. R. Shaun Smith

Philadelphia Charge R. Shaun Smith hails from Greenville, SC, where his mother, father and eight of his nine siblings still live. He has a sister residing in Tennessee. He joined the Navy in 1975, serving 21 years as a Nuclear Engineer, primarily on submarines. After retiring from the Navy, Shaun went into the home improvement business. His specialty was accessibility remodeling of homes for the elderly and disabled. In 2001, he received certification as a Spiritual Director from the Virginia Institute for Spiritual Direction in Smithfield, VA. Shaun met his wife, the Rev. Donna Smith (Waverly UMC), while they were attending the school, and they married in 2005.

"I have felt a calling to the ministry for several years now and have fulfilled that call by working with youth, serving in various mission fields and in men's ministry. Late this past year, God made it clear that it was time for me to pursue ministry in the pulpit, and I have submitted my application to become a Licensed Local Pastor.

Stress. Anxiety. Fear.

These words capture well the state of mind of many of the churches on the James River District. We have witnessed dramatic losses, a steady decline in vitality, and an increase in churches on life-support. The worst of it is that every day someone dies without knowing about the abundant and eternal joy that Jesus Christ offers and still we spend so much time and energy on things that do not address this reality. Everyday 21,000 children will die

Rev. Dr. Rob Colwell

due to hunger, poverty and other preventable illness. Everyday hundreds of thousands will go to sleep without a home. And the list goes on...

Add to that is a survey that reports over three in four Americans are stressed about the economy and their personal finances. Half were worried about providing for their family's basic needs. Over half of respondents reported feeling angry and irritable, and reported lying awake at night worried about this. The report concludes that, "The declining state of the nation's economy is taking a physical and emotional toll on people nationwide."

This past June I asked this question, "Have you had enough?" Mainline Christianity has been in the wilderness far too long (over 40 years now) and I for one have had enough manna! I'm ready to take the risky leap of faith in spite of the giants in the land and in spite of our grasshopper insecurity complex (see Numbers 13:25-33). I for one believe God is still asking the church to have the courage to live before the world what God intends for the world.

Churches have been on the defensive far too long, and if we think we can just exist to maintain an institution, or mind the store, then we better start calling ourselves something **other than the Body of Christ. If you've had enough of the same old song then perhaps you too hear Jesus calling for the church to wake up and reclaim the prime directive (that's for you Trekkies)**. We are not given the spirit of fear, or stress or anxiety but we are given the fruits of the Holy Spirit which are love, joy, peace, gentleness, kindness, patience, goodness, faithfulness and self-control (Gal. 5:22-23). I like those much better. Besides, I think if we just get busy making disciples, God will take care of the rest of our worries and stress.

Here is how the James River District is moving toward this end:

- 1. The Bishop has asked each church to be in intentional prayer for renewal and revitalization of God's purpose and desire for each church. Please do so.
- 2. We have brought onto our District staff, the Rev. Dr. Jim O'Quinn, whose main responsibility will be to help churches discern a fresh vision from the Holy Spirit.

- 3. We are putting together a team to pray and discern the possibilities for new faith communities on our District.
- 4. We are restructuring the District so we can better function to help local churches make disciples. The new vision statement for the James River District is:

Helping Disciples Make Disciples

5. We will spend time at each of our Charge Conferences answering these three basic questions (from Adam Hamilton, *Leading Beyond the Walls*):

> Why do people need Christ? Why do people need the church? Why do people need our church?

I truly believe that if we focus on God's dream for the church we will have find we already have enough to do what God wants us to do. To that end, I am praying for congregations whose only passion will be to glorify God and our only desire will be to do God's will.

If my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then I will hear from heaven, and I will forgive their sin and will heal their land. (2 Chron. 7:14)

Had enough? Well, come on then!

Interesting!

A treasure trove was recently uncovered at the James River District office. Did you know that there are artifacts and historical documents for every church that was on the old Petersburg District? This is just a wealth of information! Perhaps you have an upcoming program or special service planned. Maybe as a pastor you could benefit in knowing a special bit of history about your building or congregation. Truly, this is very interesting. Who knows what you may learn. For example: In 1850, there were more Methodists on the Brunswick Charge than in all of New York City! Come and enjoy learning about your congregation.

join the UNITED METHODIST WOMEN

I was going through a McDonald's drive-thru recently (yeah, I know I shouldn't, but I'm hooked) and saw a poster that hung on the outside wall - *"Little by little we can do a lot."* That may sum up the goal of many organizations, but it is especially indicative of the United Methodist Church and our connectional approach to mission in this country and around the world. I may give \$25 to UMCOR or make a health kit for Conference and someone might say to me, "So what?" What is that \$25 going to do for Super Storm Sandy victims or what is one health kit going to do for the thousands of people along the Gulf Coast after Hurricane Katrina? Probably not much, but when my \$25 joins your \$25 and another's \$100 and so on, it makes A LOT of difference. And when my one health kit is collected together with 30,000+ kits across this Conference alone – that's a major statement!

We can do so much more together than we can do individually – and that is the beauty of the United Methodist Church, United Methodist Women (and UMM) and our system of connectionalism. If you want to make a statement, if you want to put your gifts to good use and really help someone or **many "someones," come to a UMW meeting and see what we are all about.**

director of CONGREGATIONAL EXCELLENCE

The James River District is looking for 10 brave Churches/Charges that desire revitalization to become vibrant Bodies of Christ. This Church Renewal **Initiative is not a "top down" program. This new initiative will help your local** congregation fulfill your ministry and mission. The James River District will help the discernment process as your congregations seek to become fruitful and a vital congregation. Each Charge Conference will receive information on revitalization. Applications will be accepted, and the 10 Churches/Charges will begin work in 2015.

parkers lake update from BECKY PAXTON

Our children are so thankful for the donations that you and others have made. We were able to purchase a game table (air hockey, pool and pingpong) for the after-school program and a huge order of much-needed supplies for the preschool program. We are so grateful for your generosity.

The preschool year has now finished, after being extended into June because of ice and snow delays this winter. The preschoolers had a great time with their princess and pirate-**themed "prom" and our** western-themed graduation. We graduated 12 of our students to kindergarten. (Pictured below)

This summer, we provided summer camps for area children. There were two weeks each for 6-8 year olds and 9-12 year olds, and one week for the teen girls and teen boys. These consisted of a day camp on Monday and overnight tent camping a a Jellystone Park from Tuesday through Thursday (Note: I have never been a tent camper...) We also had a week of day camp for our preschoolers. It was definitely a busy summer!

Continued...

I am experiencing many new things in Kentucky - tent camping, mud bog racing, and being accepted into the Moonshine Millionaires Band. I am so blessed to be able to be serving this community, and I have extended my service through June of next year. Please continue to keep me, our programs, and this community in your prayers.

> Much love and blessings to all, Becky Paxton
